**POLICE DEPARTMENT**

***2004***  
***ANNUAL REPORT***

**Fred H. Winchowky**  
**Chief of Police**

## ***A MESSAGE FROM THE CHIEF***

***The following is the annual report on the activities reported and acted on by the officers and staff of the Village of Mukwonago Police Department.***

***This yearly report illustrates the varied needs our community continues to generate as we move forward. Your Police Department will continue to work towards making our community an even safer place to live, work, and play. During this past year we started two new programs to help do just that.***

***The first program is the child safety seat program that is partnered with the Southeast Wisconsin Safe Kids Coalition. This program involves educating and showing parents the correct and safe way to use this very important piece of safety equipment that is used to transport the most important piece of life's little "cargo", a child.***

***The second program is the bicycle patrol program. The Mukwonago Chapter of the Knights of Columbus and Wonago Biking were very generous in helping us get the equipment needed to start the program. This program will allow our officers to patrol in areas that were previously difficult to access by squad car. It also covers larger areas than possible with foot patrols.***

***I want to relay my appreciation for your continued support which truly makes Mukwonago a safe place to live, work, and play.***

***Sincerely,***

**Chief Fred**

## **SCHOOL LIAISON OFFICER PROGRAM**

The Police Liaison program began in December 1999 and is the result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. The Mukwonago High School provides the officer with an office, telephone, radio, computer and other equipment to assist the officer in the performance of his duties. The officer also responds to matters involving students at the Parkview Middle School.

This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. Officer Brook is also involved in many programs in the Mukwonago High School and the community:

- ✓ Prime for Life is a program which provides research based drug and alcohol information to at risk students.
- ✓ Tobacco Abatement Resolution program works with tobacco at risk users in developing measures to stop using tobacco products.
- ✓ Coordinator of crime stoppers and the Quick 50 Program.
- ✓ Mukwonago Community Benefit Committee- works with Pro Health Care and other community advisors in identifying needs of area residents.
- ✓ Tom Berg Community Center Board of Directors – developing a community resource building to include an aquatic center, theater, and gymnasium.

Officer Brook is a member of the Wisconsin Association of School Resource Officers and the National Association of School Resource Officers.

## **TACTICAL ENFORCEMENT TEAM (SWAT)**

The Village of Mukwonago Tactical Team trains on a nearly monthly basis. The training consists of joint training with the Walworth County Sheriff's SWAT team as well as in-house training.

The team was called into service on three occasions in 2004. One call was in the Village of Mukwonago, and two calls were to assist another team.

- ☛ On August 19, the team was mobilized to stand by while the Bureau of Alcohol, Tobacco, Firearms and Explosives conducted a search warrant in the Village.
- ☛ On November 24, the Walworth County Sheriff's SWAT requested assistance of

- our sniper. After several hours, the suicidal subject surrendered to police.
- On December 28, the Walworth County Sheriff's SWAT requested assistance from our team. A male suspect was barricaded in a residence holding a female hostage. After a short time, the male suspect surrendered to police.

## **MUKWONAGO POLICE EXPLORER POST #429**

The Mukwonago Police Explorer Post #429 is a joint venture between the Village of Mukwonago Police Department and the Town of Mukwonago Police Department. Post #429 is sponsored by the Boy Scouts of America, Potawatomi Area Council, Waukesha, WI. The program is open to young men and women, ages 14 through 20. The major goal of the program is to provide the structure and resources needed for the youth of America to learn about career opportunities, to make ethical choices, and to achieve their full potential as individuals.

The advisors for Post #429 are Officers Andrew Mack and Chris DeMotto of the Village of Mukwonago Police Department, and Sergeant Tom Czarnecki of the Town of Mukwonago Police Department. The explorers meet and train once a month at the Village of Mukwonago Police Department. The training consists of presentations or lectures by experts in the area being discussed, and some hands-on training. Examples of hands-on training include how to perform traffic stops (both routine and felony stops), and proper techniques of handcuffing prisoners.

The Mukwonago Police Explorers participated in many community events in 2004. They assisted officers at all of the parades in the Village. The explorers also participated in the Waukesha County Community Safety Week events at the Brookfield Square Mall. The explorers fingerprinted children and provided the children's parents with the fingerprints if the need for them would ever arise.

Membership in the explorer post increased in 2004, to 13 members. The explorers are looking forward to 2005 with the implementation of the new "ride along" policy which allows members 16 years of age or older to ride with an officer during a regular shift.

## **OFFICER OF THE YEAR**

For the past five years, Mukwonago VFW Post 7221 has sponsored a Police Officer of the Year award. The award is presented to a member of the Mukwonago Police Department who has shown the positive qualities that the community has come to expect from their law enforcement officers. Each January, members of the department nominate an officer they feel is deserving of the award. The nominations are evaluated and a winner is selected by the Chief of Police. The winner is then presented the award at a VFW dinner in February.

The 2003 Officer of the Year award was presented to Officer John Bauer. John joined our Police Department in April of 1998 as a Police Reserve Officer. He has worked numerous community and school activities since that time. Shortly after the 9/11 tragedy, one of our officers was activated for duty to serve in the Air Force. Our Village Board agreed to fill the open position during this crisis. When the position was made available, it was John Bauer who gave up his fulltime job to come to work for our department. Over the next 20 months, John fulfilled every task assigned to him with dedication and enthusiasm. John showed all of us his excellent work ethic, good

judgment and common sense skills, and maintained a positive outlook towards our community and his coworkers. John worked very well with all the juveniles he came in contact with. He offered them friendship, as well as the positive guidance so many troubled teens need in today's society. Our community and department could not have asked for or found a better person to fill this position at that time. I feel John truly answered the call to duty during a trying and uncertain time in our history. I was very pleased to present Officer John Bauer to VFW Post #7221 as our Officer of the Year for 2003.

Fred H. Winchowky, Chief of  
Police

## **NEW PROGRAMS IN 2004**

### **CHILD SAFETY SEAT PROGRAM**

In 2004, the Village of Mukwonago Police Department became a recognized child safety seat permanent fitting station. Sergeant Kenneth Pileggi, Patrol Officer Chris DeMotto and Patrol Officer Jason Steinbrenner are now certified child safety seat technicians. The certification was obtained through training with the National Safe Kids Campaign through Children's National Medical Centers. In November of 2003, our department hosted a training session through the chapter of Southeast Wisconsin Safekids Coalition sponsored by Children's Hospital of Wisconsin. Sixteen (16) members of police and fire departments throughout our area were trained and certified as child safety seat technicians.

In 2004, our department hosted three (3) child safety seat programs. In 2005, we will be hosting six (6) programs. Besides the scheduled programs, on average our department does five (5) walk-in fittings per month. This program has proven to be an invaluable service to the community, making child passengers safer in motor vehicles.

### **BIKE PATROL PROGRAM**

The Village of Mukwonago Police Department began our bike patrol program in the fall of 2004. We would like to thank the Mukwonago Knights of Columbus and Wonago Biking for assisting our department in starting the program.

The Knights of Columbus donated just over \$1,000.00 for the purchase of a Trek 4900 mountain bike and related equipment. The bicycle and accessories were purchased locally through Wonago Biking at discount prices. Officer Daniel Streit was selected as the bike patrol officer and will attend a four day police bike patrol training session in the Spring of 2005.

This year the bike patrol was used for events such as Maxwell Street Days and parades. In the future, we will continue to use the bike patrol for special events. We will also utilize the bicycle for regular patrol when the schedule allows. The bike is useful since it can go places a squad car cannot, and it is much faster and efficient than a foot patrol. Officer Streit received positive feedback from the community regarding the bike

patrol, and it should be a great asset to our department. We look forward to getting more use out of the bicycle in 2005.
