

VILLAGE OF
MUKWONAGO
POLICE DEPARTMENT

2006
ANNUAL REPORT

Fred H. Winchowky
Chief of Police

A MESSAGE FROM THE CHIEF

The following is the 2006 annual report on the activities reported to and acted on by the officers and staff of your Village of Mukwonago Police Department.

Our yearly report attempts to show the varied needs of our Village as we continue to grow with new businesses and people in the community. When looking at and reviewing these numbers, it is important to not lose sight of the reality these numbers represent. That reality is that each number relates to a person or family that needed some sort of service or help. The service requested may be just for information or guidance; however, it also relates to some type of law or ordinance enforcement. When reviewing these numbers, we must never lose sight of the people these numbers represent. Ours is a service or business in which we do not want or encourage repeat customers.

Again during this last year, our community benefited from the continued generosity of our citizens and businesses. The Wal-Mart Foundation donated \$2,000.00 for our Child Safety Seat program. The American Legion Post #375 donated \$500.00 to our Youth Safety program. On behalf of the Village of Mukwonago Police Department, I want to thank both these organizations for their continued support.

I want to thank Joanne Wielebski for her 19 years of dedicated service to the citizens of Mukwonago. Joanne worked as a dispatcher/clerk for our department since 1987. Her loyalty, knowledge, sense of humor and most of all her friendship will be missed by all of us she leaves behind as she heads off to enjoy her family and retirement. Thank you Joanne!!!

I look forward to again working with all of you. Working so that we can continue to make our Village a safe place to live, work and play.

Sincerely,

Fred H. Winchowky
Chief of Police

SCHOOL LIAISON OFFICER PROGRAM

The Police Liaison program began in December 1999 and is the result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. The Mukwonago High School provides the officer with an office, telephone, radio, computer and other equipment to assist the officer in the performance of his duties. The officer also responds to matters involving students at the Parkview Middle School.

This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. Officer Brook is also involved in many programs in the Mukwonago High School and the community:

- ✓ Prime for Life is a program which provides research based drug and alcohol information to at risk students.
- ✓ Tobacco Abatement Resolution program works with tobacco at risk users in developing measures to stop using tobacco products.
- ✓ Coordinator of crime stoppers and the Quick 50 Program.

TACTICAL ENFORCEMENT TEAM (SWAT)

The Village of Mukwonago Tactical Team trains on a nearly monthly basis. This consists of joint training with the Walworth County Sheriff's SWAT team as well as in-house training. Officers are also sent to specialized training, such as room clearing techniques and sniper in-service.

There was one call out in 2006 for the SWAT team. The call was to assist the Walworth County SWAT Team on a pursuit of an armed robbery suspect.

MUKWONAGO POLICE EXPLORER POST #429

The Mukwonago Police Explorer Post #429 is a joint venture between the Village of Mukwonago Police Department and the Town of Mukwonago Police Department. Post #429 is sponsored by the Boy Scouts of America, Potawatomi Area Council, Waukesha, WI. The program is open to young men and women, ages 14 through 20. The major goal of the program is to provide the structure and resources needed for the youth of America to learn about career opportunities, to make ethical choices, and to achieve their full potential as individuals.

The advisor for Mukwonago Post #429 is Officer Andrew Mack. The explorers train nearly once a month. Training includes basic evidence collection, traffic stop procedures, and defense and arrest tactics.

The Mukwonago Police Explorers participated in many community events in 2006. They assisted officers at all of the parades in the Village. The explorers assist officers in child fingerprinting programs. The explorers fingerprint children and provide the children's parents with the fingerprints if the need for them would ever arise.

Membership in the explorer post is growing. Former members of our Explorer Post are currently working as Police Officers in Milwaukee and a Police Cadet at the New Berlin Police Department. Another explorer has been granted an internship with the New Berlin Police Department.

OFFICER OF THE YEAR

Over the last seven (7) years, the Mukwonago VFW post #7221 has sponsored a Police Officer of the year award. The award is presented to a member of the Village of Mukwonago Police Department who has shown and continues to show the positive qualities that our community has come to expect from their law enforcement officers. Each January, members of our department nominate an officer they feel deserving of this award. The Chief then reviews and evaluates the nominations and selects a winner. The winner is then presented the award by the Veterans of Foreign Wars post.

The winner of this award for 2005 was Lieutenant Kevin Schmidt. Kevin started with our Police Department in February of 1978. He was hired as our first Police Cadet. In January of 1981, he was promoted to Patrolman. In 1987 he was given investigation responsibilities and promoted to Sergeant. In April of 2001, he obtained his current rank of Lieutenant. Kevin is a graduate of Mount Senario College with a degree in Criminal Justice. He has also completed the 10 week Police Staff and Command School taught by Northwestern University. Lt. Schmidt has received numerous letters from our District Attorney and other attorneys in regards to the thoroughness and completeness of his investigations. He has attended numerous schools related to keeping these investigative skills current and up to date. This includes the ability to investigate highly technical and computer related crimes which are starting to become more of a concern in our everyday life. Kevin tries to stay ahead of new trends and is not afraid to adjust to meet future needs or technologies. Lt. Schmidt has always strived for excellence when dealing with all matters related to law enforcement in our community. His attitude, sense of humor and his work ethic reflect this in every way. He has been able to maintain a positive attitude in the face of adversity.

I was pleased to present Lieutenant Kevin Schmidt as the Village of Mukwonago Police Department's Officer of the Year for 2005.

CHILD SAFETY SEAT PROGRAM

A total of 64 child safety seats were inspected by certified child safety seat technicians of the Village of Mukwonago Police Department.

Approximately 65 % of the child safety seats inspected were not properly installed. The majority of the problems were improperly being secured to the vehicle's seat, loose harness straps, harness clip retainers not properly positioned as well as either non-use where required or improper use of locking clips/latch/tethering systems.

One (1) formal child safety seat fitting was conducted in April. The majority of the checks were walk-in at the department. A majority of the checks completed were done for residents of the Village and Town of Mukwonago. However, citizens from Waukesha, East Troy, New Berlin, Dousman, Waterford and Eagle also came into the department for a child safety seat check.

A total of four (4) child safety seats were provided to participants. The reasons for providing these seats are listed below:

REASON	SEATS
Unknown Seat History	1
Outdated (beyond service life) seats	2
Traffic Stop/No Seat in Vehicle	1

BIKE PATROL PROGRAM

The Village of Mukwonago Police Department bike patrol program was a success. As you may recall, the program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

Officer Daniel Streit utilized the bike patrol on 22 occasions this year. A break down of the uses is below. Officer Streit received positive feedback from the community regarding the bike patrol.

TOURS/TALKS/EVENTS

2006 continued to be a busy year for the department. Cub Scout groups requested tours of the department. The groups are shown all facets of the department, from clerical/dispatch to the evidence lab. We then hand out pencils, rulers, and many other items which contain an anti-drug or crime prevention message.

Officers of the department also gave talks to different clubs and groups in the Village. Talks were given to the Mukwonago Rotary Club, the various nursery and grade schools in the village, and to students at Door to Door Driving School.

On two occasions, our department conducted a child fingerprint program. We had a booth at the Family Exposition held in January at Clarendon Avenue School. We also fingerprinted a Cub Scout group to assist them in obtaining their merit badges.

The department also participates in the Parkview Middle School job shadowing program. Two students come to the department for a one hour period to observe members of the department in their work.

The following chart shows the various events the Mukwonago Police Department was involved with in 2006. The chart does not include talks or events previously discussed. Those include talks the school liaison officer provided at the Mukwonago High School and Parkview Middle School, the child safety seat program and bike safety programs put on by the department bicycle patrol officer.
