***2007***  
***ANNUAL REPORT***

**Chief of Police**

## ***A MESSAGE FROM THE CHIEF***

***The following is the 2007 annual report on the activities reported and acted upon by the officers and staff of your Village of Mukwonago Police Department.***

***The activities and events in our Village continue to be popular and well attended. There are the fantastic high school football & soccer games and Fall Fest in the fall months. During the summer months, some of the activities include the famous Maxwell Street Days and Lion's Summerfeste. The winter month's activities include Midnight Magic, numerous dances, school plays, library events, church fish fries and many other activities for the family. There are four (4) parades held annually in the village during the year. There are also four fireworks displays during the year and we don't even have one on July 4<sup>th</sup>!! We see and meet new people moving into our community all of the time. Our parks and multi-use trails are used more than ever. Our Chamber of Commerce continues to plan and promote great local events for all of us to enjoy.***

***There are new challenges for law enforcement as well. Computer crimes, identity theft, foreign lottery and Nigerian scams, internet fraud and the like are much more prevalent than ever before. Our department continues to train in an attempt to combat these new crimes, even as new laws are legislated to help law enforcement protect our citizens from those who would misuse the internet.***

***Many years ago, author Edmund Burke wrote "All that is necessary for the triumph of evil is that good men do nothing". I find this to be as true today as when he penned those words in the 1700's. Your police department truly does appreciate your support. We cannot do it alone. Community involvement continues to be an important part of our success. Neighborhood Watch, Crime Stoppers, and our Police Reserve program are key parts as well. So I again ask for your continued support. Let us make Mukwonago an even safer place to live, work and play in 2008.***

***Stay Safe,***

***Fred H. Winchowky***

## **SCHOOL LIAISON OFFICER PROGRAM**

The Police Liaison program began in December 1999 and is the result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. The Mukwonago High School provides the officer with an office, telephone, radio, computer and other equipment to assist the officer in the performance of his duties. The officer also responds to matters involving students at the Parkview Middle School.

This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. Officer Brook is also involved in many programs in the Mukwonago High School and the community:

- ✓ Prime for Life is a program which provides research based drug and alcohol information to at risk students.
- ✓ Tobacco Abatement Resolution program works with tobacco at risk users in developing measures to stop using tobacco products.
- ✓ Coordinator of crime stoppers and the Quick 50 Program.

## **TACTICAL ENFORCEMENT TEAM (SWAT)**

The Village of Mukwonago Tactical Team trains on a nearly monthly basis. This consists of joint training with the Walworth County Sheriff's Department SWAT team, as well as in-house training. Officers are also sent to specialized training, such as room clearing techniques and sniper in-service.

In 2007, there was one call out for the services of the Village of Mukwonago Police Department Tactical Team. On 05/29/07, the team was called out to assist in the search of a suspect in a recklessly endangering safety call in the Village.

## **MUKWONAGO POLICE EXPLORER POST #429**

The Mukwonago Police Explorer Post #429 is a joint venture between the Village of Mukwonago Police Department and the Boy Scouts of America, Potawatomi Area Council, Waukesha, Wisconsin. The program is open to young men and women, ages 14 through 20. The major goal of the program is to provide the structure and resources needed for the youth of America to learn about career opportunities, to make ethical choices, and to achieve their full potential as individuals.

The advisor for Mukwonago Post #429 is Officer Andrew Mack. The explorers train nearly once a month. Training includes basic evidence collection, traffic stop procedures, defense and arrest tactics, K-9 demonstrations, and first responder training.

The Mukwonago Police Explorers participated in many community events in 2007. They assisted officers at some of the parades in the Village. They assisted officers in the child fingerprinting programs held. The explorers fingerprint children and provide the parents with the fingerprints if the need for them would ever arise.

Membership in the explorer post continues to grow. Former members of our Explorer Post are currently working as Police Officers in Milwaukee, and a police cadet at the New Berlin Police Department. The Mukwonago Police Department would like to thank Explorer Caroline LaBoda for her dedication and service to Explorer Post #429. We wish her the best in her future endeavors.

## **OFFICER OF THE YEAR**

For the past 7 years, the Mukwonago Veterans of Foreign Wars Post #7221 has sponsored the Village of Mukwonago Police Department Officer of the year award. The award is presented to a member of the Village of Mukwonago Police Department who has shown and continues to show the positive qualities that our community has come to expect from their law enforcement officers. Each January, members of our department nominate an officer they feel is deserving of this award. The Chief of Police reviews and evaluates the nominations and selects a winner. In 2007, VFW Post #7221 took a year off from sponsoring the award. We thank them for their past support, and know they will once again sponsor the award in the future.

In 2007, the Mukwonago Optimist Club recognized Officer Jason Steinbrenner with the Optimist International Law Enforcement Award through the Respect the Law program. Officer Steinbrenner has been a police officer with our department since 2000. He is certified as the department Laser instructor and has also assisted with department computer issues. Officer Steinbrenner was nominated for the award by a fellow officer. I was pleased to present Officer Steinbrenner's name to the Optimist Club for consideration.

## **CHILD SAFETY SEAT PROGRAM**

A total of 57 child safety seats were inspected by certified child safety seat technicians of the Village of Mukwonago Police Department in 2007.

Approximately 72 % of the child safety seats inspected were not properly installed. The majority of the problems were improperly being secured to the vehicle's seat (loose safety belts and harness straps), improperly routed belts and harnesses, seats facing the wrong way, and latch and tethers either not used or improperly used.

Two (2) formal child safety seat fittings were conducted. One event was in May and the other was held in August. The majority of the checks were walk-ins at the department when the technicians were on duty. A majority of the checks completed were done for residents of the Village and Town of Mukwonago. However, citizens from Waukesha, East Troy, Big Bend, Elkhorn, New Berlin, Waterford, North Prairie, Wales and Eagle also came into the department for a child safety seat check. As you can see, this service stretches throughout this region in southeast Wisconsin.

A total of five (5) child safety seats were provided to participants. The reasons for providing these seats are listed below:

<b>REASON</b>	<b>SEATS</b>
Unknown Seat History	1
Outdated (beyond service life) seats	2
Recalled Seat	1
Traffic Stop/No Seat in Vehicle	1

The seats are provided regardless of financial status of the recipient. Donations are accepted (as much as one can afford) at the time. If seats are out of date or otherwise serviceable, recommendations are made to the seat owner to go to a retailer and purchase a new seat for their child.

## **BIKE PATROL PROGRAM**

The Village of Mukwonago Police Department bike patrol program was a success. As you may recall, the program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

Officer Daniel Streit utilized the bike patrol on 16 occasions this year, logging 185 miles on the bicycle. A break down of the uses is below. Officer Streit received positive feedback from the community regarding the bike patrol.

## **TOURS/TALKS/EVENTS**

2007 was a busy year for the department. Cub Scout and Girl Scout troops requested tours of the department. The groups are shown all facets of the department, from clerical/dispatch to the evidence lab, to interview/interrogation rooms. We then hand out pencils, rulers, and many other items which contain anti-drug, crime prevention and general safety messages.

Officers of the department also gave talks to different clubs, groups and businesses in the Village. Talks were given to the various nursery and grade schools in the village, and to students at Door to Door Driving School. The talks to different businesses in the Village consist of workplace safety issues for employees.

On five (5) occasions in 2007, our department conducted child fingerprint programs. Fingerprinting was done at the Family Exposition at Clarendon Avenue School, the Mukwonago Fire Department open house, the Child Safety Expo at Wal-Mart, customer appreciation days at Ace Hardware, and at Johnson Bank during the Community Fall Fest. We also fingerprinted a Cub Scout group to assist them in obtaining their merit badges.

The department also participates in the Parkview Middle School job shadowing program. Two students come to the department for a one hour period to observe members of the department in their work.

The following chart shows the various events the Mukwonago Police Department was involved with in 2007. The chart does not include talks or events previously discussed in this annual report. Those include talks the school liaison officer provided at the Mukwonago High School and Parkview Middle School, the child safety seat program and bike safety programs put on by the department bicycle patrol officer.

## 2007 MATTER OF REPORTS

In addition to the 397 Criminal Reports the department took in 2007, we also had 500 Matter Of Record reports. Some examples of matter of reports are arrests for serious traffic offenses (operating auto while intoxicated, etc...), suicides, sudden deaths, child custody disputes, lost property for insurance purposes, or neighbor disputes.

Another example of matter of reports is emergency detentions. Whenever a person is deemed to be a harm to themselves or others, an emergency detention must be completed by an officer. The person is transported to Waukesha Memorial Hospital for a medical clearance. An adult is then transported to the Waukesha County Mental Health Center.
