## ***A MESSAGE FROM THE CHIEF***

The following is the 2010 annual report on the activities reported and acted upon by the officers and staff of your Village of Mukwonago Police Department.

This yearly report documents what has taken place in our community.

We are a relatively safe community. And that is because of the relationship between the citizens of Mukwonago and the police department. It is not because of one person or department. It is because we work together. Police officers can not be everywhere. The eyes and ears of the department are the citizens. Mukwonago has been very fortunate over the years to have a great working relationship between the community and the department.

The men and women of the Village of Mukwonago Police Department truly appreciate the help and support of the community. A Police Department is only as good as the citizens of the community allow it to be. If we, the police and citizens, do not work together, the police department will be swimming upstream in our efforts to make the community safe. We can not do the job of policing alone. We need you all to be involved in your community. This is your community and your police department. Together, with your help and support, we will continue to make our community a safe place.

Stay Safe,

*Kevin B. Schmidt*

*Chief of Police*

## **SCHOOL LIAISON OFFICER PROGRAM**

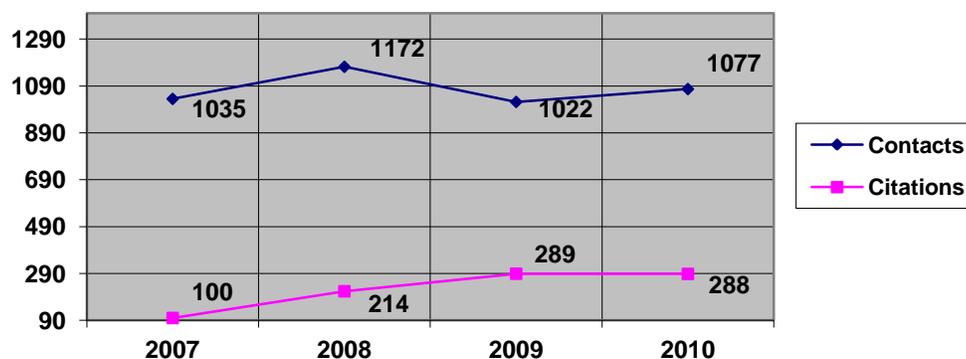

The Police Liaison program began in December 1999 and is the result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. The Mukwonago High School provides the officer with an office, telephone, radio, computer and other equipment to assist the officer in the performance of his duties. The officer also responds to matters involving students at the Parkview Middle School.

This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officer is also involved in many programs in the High School and the community:

- ✓ Prime for Life is a program which provides research based drug and alcohol information to at risk students.
- ✓ Tobacco Abatement Resolution program works with tobacco at risk users in developing measures to stop using tobacco products.
- ✓ Coordinator of crime stoppers and the Quick 50 Program.

## **MUKWONAGO POLICE EXPLORER POST #429**

The Mukwonago Police Explorer Post #429 is a joint venture between the Village of Mukwonago Police Department and the Boy Scouts of America, Potawatomi Area Council, Waukesha, Wisconsin. The program is open to young men and women, ages 14 through 20. The major goal of the program is to provide the structure and resources needed for the youth of America to learn about career opportunities, to make ethical choices, and to achieve their full potential as individuals.

The advisors for Mukwonago Post # 429 are Officer Chris DeMotto. The explorers train nearly once a month. Training includes basic evidence collection, traffic stop procedures, defense and arrest tactics, and first responder training.

The Mukwonago Police Explorers participated in many community events in 2010. They assisted officers at some of the parades in the Village. They assisted officers in the child fingerprinting programs held. The Explorers fingerprint children and provide the parents with the fingerprints if the need for them would ever arise.

Membership in the explorer post continues to grow. We currently have six members. Former members of our Explorer Post are currently working as Police Officers in Milwaukee and New Berlin.

## **OFFICER OF THE YEAR**

For the past 7 years, the Mukwonago Veterans of Foreign Wars Post #7221 has sponsored the Village of Mukwonago Police Department Officer of the year award. The award is presented to a member of the Village of Mukwonago Police Department who has shown and continues to show the positive qualities that our community has come to expect from their law enforcement officers. Each January, members of our department nominate an officer they feel is deserving of this award. The Chief of Police reviews and evaluates the nominations and selects a winner.

In 2010, Officer Eric Nelson was recognized as the Officer of the Year. Officer Nelson started with the department as a Police Reserve Officer. He was promoted to a full time position as a Police Officer in August of 1993. In addition to his duties with our department, Eric has continued to serve his county in the 440<sup>th</sup> Air National Guard. In the past 19 years, he has been activated three times. He served in Egypt with operation Bright Star and transported Taliban prisoners from Cuba to the United States during the first gulf war. Most recently, he was activated from May 2009 to February 2010, serving at the Kirkuk Regional Airbase in Iraq. He was assigned as Master Sergeant in charge of a security forces team. He received a Meritorious Service Medal for outstanding achievement from June 2009 to December 2009.

Officer Nelson's dedication to his country is paired well with his dedication to the Village of Mukwonago community and police department.

*Fred H. Winchowky, Chief of Police*

## **CHILD SAFETY SEAT PROGRAM**

A total of 55 child safety seats were inspected by certified child safety seat technicians of the Village of Mukwonago Police Department in 2010.

The officers took part in the DNG Baby Safety Day on May 15. This event was at the DNG Pro Health clinic on Maple Avenue. The officers handed out information and answered questions for new (or soon to be new) parents on child safety seats and laws.

Approximately sixty-five percent (65%) of the child safety seats inspected were not installed properly. We noted four (4) expired seats, two (2) seats with inappropriate latch use, four (4) seats with seatbelts not locked, two (2) seats with incorrect anchor mounts, one (1) seat that was facing forward instead of rearward for an infant, one (1) seat each with improper belt tension, seatbelt webbing tangled with the seat webbing, incorrect belt routing, and one (1) seat missing parts. Three (3) persons wished education on child safety seats only, one (1) person left the department prior to the completion of the check and one (1) seat check was not completed as the officer had to leave for an emergency.

Our department attempts to serve, and at times, schedule any fittings requested of us. A majority of the fittings performed were walk-ins to the department when an officer/technician was on duty. We did not hold a formal program at the department due to little turnout in the previous years. However, we participated in Mukwonago Chamber of Commerce sponsored events and provided information to parents in an educational outreach setting. We received some walk in requests from these outreach setting event.

Some seats were provided to parents as a donation by the department because of financial hardships. The seats are provided regardless of financial status of the recipient. Donations are accepted (as much as one can afford) at the time. Our department continues to receive financial support from American Legion Post #375, who has graciously supported the purchase of seats and equipment for this program.

Residents of seat checks are below. Once again, this demonstrates our service stretches throughout Southeast Wisconsin.

## **BIKE PATROL PROGRAM**

We were unable to utilize the Village of Mukwonago Police Department bike patrol program as we had in the past. As you may recall, the program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

Officer Daniel Streit utilized the bike patrol on 6 occasions this year, logging 50 miles on the bicycle. A break down of the uses is below. Officer Streit received positive feedback from the community regarding the bike patrol.

## **TOURS/TALKS/EVENTS**

In 2010, seven (7) Cub Scout and Girl Scout troops requested tours of the department. The groups are shown all facets of the department, from clerical/dispatch to the evidence lab, to interview/interrogation rooms. We then hand out pencils, rulers, and many other items which contain anti-drug, crime prevention and general safety messages.

Officers of the department also gave talks to different clubs, groups and businesses in the Village. Talks were given to the various nursery and grade schools in the village, and to students at Door to Door Driving School. The talks to different businesses in the Village consist of workplace safety issues for employees.

On four (4) occasions in 2010, our department conducted child fingerprint programs. Fingerprinting was done at the customer appreciation days at Ace Hardware, at the Community Fall Fest, at the WalMart Child Safety program, and at the National Night Out. Over 100 child fingerprint booklets were used at the events.

The department also participates in the Parkview Middle School job shadowing program. Two students come to the department for a one hour period to observe members of the department in the law enforcement work environment.

The following chart shows the various events the Mukwonago Police Department was involved with in 2010. The chart does not include talks or events previously discussed in this annual report. Those include talks the school liaison officer provided at the Mukwonago High School and Parkview Middle School, the child safety seat program and bike safety programs put on by the department bicycle patrol officer.

***3 year Comparison of Incident Reports***

***10 year Comparison of Incident Reports***

In addition to the above 499 Incident Reports the department took in 2010, we also completed reports for arrests for serious traffic offenses, suicides, sudden deaths, child custody disputes, lost property, neighbor disputes, and industrial accidents, to name a few.

In 2010, we wrote 212 Incident Reports for traffic offenses. These would include operating an auto while intoxicated or drugged and operating with a suspended or revoked driver's license.

Other reports taken are for emergency detentions. Whenever a person is deemed to be a harm to themselves or others, an emergency detention must be completed by an officer. The person is transported to Waukesha Memorial Hospital for a medical clearance. An adult is then transported to the Waukesha County Mental Health Center. A juvenile is then transported to the Child Adolescent Treatment Center on the Milwaukee County Medical grounds. In 2010, our department took 34 emergency detention reports.

In 2010, we wrote 25 assist other department reports. The departments assisted were:

Town of Mukwonago Police Department	11
Town of East Troy Police Department	6
Waukesha County Sheriff's Department	1
