

VILLAGE OF
MUKWONAGO
POLICE DEPARTMENT

2011
ANNUAL REPORT

Kevin Schmidt
Chief of Police

A MESSAGE FROM THE CHIEF

The following is the 2011 annual report on the activities reported and acted upon by the officers and staff of your Village of Mukwonago Police Department.

In 2011, two employees left the department. Patricia Mehring was a dispatcher/clerk for the department for 9 ½ years. For medical reasons, Patti had to resign. Fred Winchowky retired after 39 years with the department, including over 11 years as the Police Chief. We wish both Patti and Fred the very best. They will always remain a “member of our family”.

Cory Kirkpatrick was hired to fill the open position of police officer. Cory had been a Reserve Officer with the department. Jenny Dorschner was hired to fill the open dispatcher/clerk position. We welcome both of them to the department.

Mukwonago is a relatively safe community. Nationally in 2011, a property crime was committed every 3½ seconds. In Mukwonago, a property crime was committed every 1 day, 17 hours and 31 minutes. While a burglary was committed every 14.6 seconds in the United States, Mukwonago saw a burglary every 19 days, 5 hours, 3 minutes and 9 seconds. The reason we are relatively safe is because of the relationship between the citizens of Mukwonago and the police department. It is not because of one person or department. It is because we work together. Police officers can not be everywhere. The eyes and ears of the department are the citizens. Mukwonago has been very fortunate over the years to have a great working relationship between the community and the department.

The men and women of the Village of Mukwonago Police Department truly appreciate the help and support of the community. A Police Department is only as good as the citizens of the community allow it to be. If we, the police and citizens, do not work together, the police department will be swimming upstream in our efforts to make the community safe. We can not do the job of policing alone. We need you all to be involved in your community. This is your community and your police department. Together, with your help and support, we will continue to make our community a safe place.

Stay Safe,

Kevin B. Schmidt

SCHOOL LIAISON OFFICER PROGRAM

The Police Liaison program began in December 1999 and is the result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officer is also involved in many programs in the High School and the community: **Prime for Life** - a program which provides drug and alcohol information to at risk students. **Tobacco Abatement Resolution** – assists at risk users in developing measures to stop using tobacco products.

Quick 25/50 Program - Coordinator of crime stoppers and the Quick 25/50 Program.

MUKWONAGO POLICE EXPLORER POST #429

The Mukwonago Police Explorer Post #429 is a joint venture between the Village of Mukwonago Police Department and the Boy Scouts of America, Potawatomi Area Council, Waukesha, Wisconsin. The program is open to young men and women, ages 14 through 20. The major goal of the program is to provide the structure and resources needed for the youth of America to learn about career opportunities, to make ethical choices, and to achieve their full potential as individuals.

The advisor for Mukwonago Post # 429 is Officer Chris DeMotto. The explorers train periodically at the department. Training includes basic evidence collection, traffic stop procedures, defense and arrest tactics, and first responder training.

The Mukwonago Police Explorers assisted officers at some of the parades in the Village, and assisted officers in the child fingerprinting programs held. The Explorers fingerprint children and provide the parents with the fingerprints if the need for them would ever arise.

Former members of our Explorer Post are currently working as Police Officers in Milwaukee and New Berlin.

OFFICER OF THE YEAR

For the past 7 years, the Mukwonago Veterans of Foreign Wars Post #7221 has sponsored the Village of Mukwonago Police Department Officer of the year award. The award is presented to a member of the Village of Mukwonago Police Department who has shown and continues to show the positive qualities that our community has come to expect from their law enforcement officers. Each January, members of our department nominate an officer they feel is deserving of this award. The Chief of Police reviews and evaluates the nominations and selects a winner.

In 2011, Patrol Officer Robert Kreiser was recognized as the Officer of the Year. Officer Kreiser started with our police department in 2009. In the almost three years Rob has been with our department, all supervisors have agreed that Officer Kreiser is always pleasant with a great attitude. He completes all tasks assigned to him. When he makes a mistake and a supervisor talks to him about it, you can be sure that the mistake will not be made again. We have recently sent Officer Kreiser to instructor development school. He will be attending Defense and Arrest Tactics (DAAT) instructor school, after which he will train all Village of Mukwonago Police Officers in DAAT. This topic includes handcuffing of suspects and defensive moves when a suspect attacks.

Officer Kreiser's has exhibited a dedication to our Police Department and the Mukwonago community in the short time he has been here. I am pleased and proud to present Patrol Officer Robert Kreiser as the 2011 officer of the year.

CHILD SAFETY SEAT PROGRAM

A total of 33 child safety seats were inspected by certified child safety seat technicians of the Village of Mukwonago Police Department in 2011.

Our department attempts to serve, and at times, schedule any fittings requested of us. A majority of the fittings performed were walk-ins to the department when an officer/technician was on duty. We did not hold a formal program at the department due to little turnout in the previous years. However, we participated in other clinics conducted by Safekids throughout southeast Wisconsin, both to help out and maintain certifications. Information was provided to parents in educational outreach settings also. We received some walk in requests from these outreach setting events.

Approximately eighty-four percent (84 %) of the child safety seats inspected were not installed properly. The majority of the seat problems were again loose harnesses and seats. We noted 2 expired seats, 1 using latch and a seatbelt, 1 improperly faced, 1 with seat fitment issues, 1 with a twisted seatbelt, 1 incorrect seat for the child using it, and 7 that were loose. We experienced a total of 5 seats installed properly. Officers installed 14 seats that arrived at our permanent fitting station uninstalled. We had 3 seats that arrived uninstalled and where the parents only wanted to be educated on installation. We had 1 fitting where the officer had to leave during the process and respond to an emergency call.

Our department attempts to serve, and at times, schedule any fittings requested of us. A majority of the fittings performed were walk-ins to the department when an officer/technician was on duty. We did not hold a formal program at the department due to little turnout in the previous years. However, we participated in Mukwonago Chamber of Commerce sponsored events and provided information to parents in an educational outreach setting. We received some walk in requests from these outreach setting event.

Some seats were provided to parents as a donation by the department because of financial hardships. The seats are provided regardless of financial status of the recipient. Donations are accepted (as much as one can afford) at the time. Our department continues to receive financial support from American Legion Post #375, who has graciously supported the purchase of seats and equipment for this program.

Residents of seat checks are below. Once again, this demonstrates our service stretches throughout Southeast Wisconsin.

BIKE PATROL PROGRAM

As you may recall, the program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

We were unable to utilize the Village of Mukwonago Police Department bike patrol program as we had in the past, due to shortage in the patrol schedule. One officer retired and another was off on an extended medical leave.

Our bike patrol officer, Daniel Streit, was promoted to Sergeant Investigator and his duties have changed. The bike was only utilized for three parades in 2011. In 2012, another officer will be trained in bike patrol.

TOURS/TALKS/EVENTS

In 2011, 4 Cub Scout and Girl Scout troops requested tours of the department. The groups are shown all facets of the department, from clerical/dispatch to the evidence lab, to interview/interrogation rooms. We then hand out pencils, rulers, and many other items which contain anti-drug, crime prevention and general safety messages.

Officers of the department also gave talks to different clubs, groups and businesses in the Village. Talks were given to the various nursery and grade schools in the village, and to students at Door to Door Driving School. The talks to different businesses in the Village consist of workplace safety issues for employees.

On 4 occasions in 2011, our department conducted child fingerprint programs. Fingerprinting was done at the customer appreciation days at Ace Hardware, at the Community Fall Fest, at the WalMart Child Safety program, and at the National Night Out. Over 100 child fingerprint booklets were used at the events.

The department also participates in the Parkview Middle School job shadowing program. Two students come to the department for a one hour period to observe members of the department in the law enforcement work environment.

The following chart shows the various events the Mukwonago Police Department was involved with in 2011. The chart does not include talks or events previously discussed in this annual report. Those include talks the school liaison officer provided at the Mukwonago High School and Parkview Middle School, the child safety seat program and bike safety programs put on by the department bicycle patrol officer.

10 year Comparison of Incident Reports

In addition to the above 491 Incident Reports the department took in 2011, we also completed reports for arrests for serious traffic offenses, suicides, sudden deaths, child custody disputes, lost property, neighbor disputes, and industrial accidents, to name a few.

In 2011, we wrote 254 Incident Reports for traffic offenses. These would include operating an auto while intoxicated or drugged. Seventy-five percent (75 %) of the traffic incident reports were for operating with a suspended or revoked driver's license.

The person is transported to Waukesha Memorial Hospital for a medical clearance. An adult is then transported to the Waukesha County Mental Health Center. A juvenile is then transported to the Child Adolescent Treatment Center on the Milwaukee County Medical grounds. In 2011, our department took 32 emergency detention reports.
