

Village of Mukwonago Police Department

ANNUAL Report 2013

627 S. Rochester Street
Mukwonago, WI 53149

The Vision and Mission of the
Village of Mukwonago Police Department

VISION

A Village of Mukwonago where all citizens can live safely and without fear, protected by a police department with the highest ethical and professional standards.

MISSION

The Village of Mukwonago Police Department strives to provide all residents, businesses and visitors with professional, competent, ethical and compassionate law enforcement services. We pledge to work in partnership with the members of the community to make Mukwonago a better place to live, work and visit.

message from the chief

Message from the Chief

I am pleased to present the 2013 annual report. This report contains information on the activities reported and acted upon by the officers and staff of your Village of Mukwonago Police Department.

This report provides statistics on crimes reported, arrests, and accidents which were reported to the department. It also covers various programs and partnerships the department is involved in. Those partnerships include the School Resource Officer program, our Child Safety Seat, National Night Out and Crime Stoppers programs.

Mukwonago is a relatively safe community because of the commitment of every employee on the department to work for and with the community. I am proud of all members of the department, from the command staff, to the officers and the dispatcher/clerks.

Our work would not be possible without the strong support of the Village Board, Police Commission and all other employees of the Village of Mukwonago. Together we can and have made a difference. On behalf of all the members of the department, thank you for providing us with the resources to complete our mission.

In March, we hired Rebecca Jaworowicz as a police officer. Becca replaced an officer who resigned from the department. In August, Captain Craig Turner retired after 20 years of service with the Police Reserve program. Captain Turner, along with Jeff Vogt and Retired Chief Fred Winchowky, worked very hard to make the reserve program the professional group it is today. The department was truly tested when Officer Cory Kirkpatrick's 6 week old son passed away unexpectedly in September. I am proud of the way the employees of the department pulled together and supported Cory and Sarah during this difficult time. Jackson Lee Kirkpatrick will be in our hearts forever.

The department is truly grateful for the help and support of the community. A Police Department is only as good as the citizens of the community allow it to be. If we, the police and citizens, do not work together, the police department will be swimming upstream in our efforts to make the community safe. We can not do the job of policing alone. We need you all to be involved in your community. This is your community and your police department. Together, with your help and support, we will continue to make our community a safe place.

Stay Safe,

Kevin B. Schmidt
Chief of Police

School Resource Officer Program

The Police Resource Officer program began in December 1999 and is the result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officer is also involved in many programs in the High School and the community:

- Prime for Life** - a program which provides drug and alcohol information to at risk students.
- Tobacco Abatement Resolution** – Developing measures to stop using tobacco products.
- Quick 25/50 Program** - Coordinator of crime stoppers and the Quick 25/50 Program.

Our current School Resource Officer is Jason Steinbrenner.

- ..# **Student Contacts** - any contact with a student regarding behavior or any other issue that includes officer involvement (theft, harassment, criminal damage, etc..)
- ..# **Other** - Prime for Life Program, Crime Stoppers, Tornado & Lock Down drills, etc.

Mukwonago Police Explorer Post #429

The Mukwonago Police Explorer Post #429 is a joint venture between the Village of Mukwonago Police Department and the Boy Scouts of America, Potawatomi Area Council, Waukesha, Wisconsin. The program is open to young men and women, ages 14 through 20. The major goal of the program is to provide the structure and resources needed for the youth of America to learn about career opportunities, to make ethical choices, and to achieve their full potential as individuals.

The advisor for Mukwonago Post # 429 is Officer Cory Kirkpatrick. We now have thirteen (13) Police Explorers signed up for the program.

The explorers train periodically at the department. Training includes basic evidence collection, traffic stop procedures, defense and arrest tactics, and first responder training.

The Mukwonago Police Explorers assist officers at some of the parades in the Village, and also assist officers in the child fingerprinting programs held throughout the Village. The Explorers fingerprint children and provide the parents with the fingerprints if the need for them would ever arise.

Former members of our Explorer Post have gone on careers in law enforcement. This includes David Zibolski, who retired as a captain on the Milwaukee Police Department and is currently working as the Deputy Administrator for the Wisconsin Department of Justice, Division of Law Enforcement Services.

In 2014, we will be working with the Town of Mukwonago Police Department to make this a joint explorer post. Town Officer Andy Douglas and Village Officer Cory Kirkpatrick will be advisors for the post.

Officer of the Year

For the past 7 years, the Veterans of Foreign Wars Post #7221 has sponsored the Mukwonago Police Department Officer of the year award. It is presented to a member of the Police Department who has shown and continues to show the positive qualities that our community has come to expect from their law enforcement officers. Each January, members of our department nominate an officer they feel is deserving of this award. The Chief of Police reviews and evaluates the nominations and selects a winner.

The 2013 Officer of the Year is Chet Wilson. Officer Wilson started with the department in October 2009. Chet impressed the command staff and Police Commission at his initial interview with knowledge of the community. Prior to the interview, he drove around so that he could start familiarizing himself with the Mukwonago community. Chet was an officer in Darien at the time that we hired him.

Officer Wilson has stepped up anytime we have asked for an employee to volunteer for another duty. When we needed an officer to train to do child safety seat inspections, Officer Wilson was there to accept the challenge. When we asked for an officer to train with Lt. LaDue to learn the ins and outs of our Pro Phoenix Computer Aided Dispatch system and computer issues, Officer Wilson again did not hesitate to step forward.

Whenever Officer Wilson is given a task by a supervisor, he does not question why he has to do it. He takes the issue by the horns and completes the task. No matter what the task, Officer Wilson is willing to step forward and assist the department in any way he can. Officer Wilson is just the type of officer I want on the department. Someone who truly cares about the community and wants to make it a better place for others.

Kevin Schmidt, Chief of Police

Tours / Talks / Events

In 2012, 4 Cub Scout and Girl Scout troops requested tours of the department. The groups are shown all facets of the department, from clerical/dispatch to the evidence lab, to interview/interrogation room and patrol squads. The officer facilitator then hands out pencils, rulers, and many other items that contain anti-drug, crime prevention, stranger danger and general safety messages.

Officers of the department also gave talks to different clubs, groups and businesses in the Village. Talks were given to the various nursery and grade schools in the Village and to students at Door to Door Driving School. The talks to different businesses in the Village consist of workplace safety issues and crime prevention topics geared towards different groups such as bank employees, the elderly, and service clubs.

Our department conducted three (3) child fingerprinting programs. Fingerprinting was done at the customer appreciation days at Ace Hardware, at the DNG Pro Health Child Safety program, and at the National Night Out event.

Officers participated in the prescription drug drop off programs held at the DNG Medical Center in the spring, and the prescription drug turn-in held in the fall conducted at Walgreen's. The spring drug turn-in netted two truckloads of turned in prescriptions. These programs prevent harmful unused prescriptions from being deposited into our water systems and landfills.

The Mukwonago Police Department participated in the annual Relay for Life to fight cancer event held at Field Park. Employees from the Village and Town departments participated in both walking and running laps to help combat cancer. We are very proud to partner with this worthy cause.

The department also participates in the Parkview Middle School job shadowing program. Two students come to the department for a one hour period to observe members of the department in the internal law enforcement work environment.

The following chart shows the various events the Mukwonago Police Department was involved with in 2013. The chart does not include talks or events discussed previously discussed in this annual report. Those include talks the school liaison officer provided at the Mukwonago High School and Parkview Middle School and the child safety seat program.

EVENT	NUMBER GIVEN
Talks	20
Tours	7

National Night Out

The Village of Mukwonago Police Department, working in conjunction with the Mukwonago Neighborhood Watch group, is very proud of the growing popularity of this annual event held at Field Park on the first Tuesday of every August each year.

The National Night Out is an event designed to heighten crime and drug prevention awareness; Generate support for, and participation in, local anticrime efforts; Strengthen neighborhood spirit and police-community partnerships; and send a message to criminals letting them know neighborhoods are organized and fighting back!

The Mukwonago Police Department was proud to partner with the Town of Mukwonago Police Department and the Chamber of Commerce to host this event. Donors included Walmart, John Amato Ford, Aerogas, The Elegant Farmer, Culver's of Mukwonago and Roundy's Pick n Save who provided financial and material support to make the event a huge success.

Displays included Mukwonago Fire Department apparatus, fire prevention events, the Eagle Fire Department Survive Alive house, The Mukwonago Department of Public Works display, the Mukwonago Food Pantry, HAWS, the YMCA of Mukwonago and Pastor Mike, who brings the popular "choo-choo" train and bounce house for the children. We have made lasting partnerships with Scott the Brat Guy, the Kettle Corn Shop, and Gary Walters with his wonderful submarine display. Lisa, the face painter and Katie Gardipee, the caricature artist, were both huge draws and we could not thank them enough! We were also proud to have the United States Army in attendance with the ever popular dog tags. We are looking forward to both continuing and growing this awesome event with so many wonderful people that make up the fabric of our community – all in the name of keeping Mukwonago a safe place to live, work, visit and of course play!

We were also very proud to partner with the Village of Mukwonago Board of Trustees and President who all attended this event as well as the staff of Mukwonago Police Department who also volunteered for this event.

national night out

Child Safety Seat Program

A total of 38 child safety seats were inspected by the Village of Mukwonago Police Department's two child safety seat technicians in 2013.

We currently have two child safety seat technicians, one day shift officer and one second shift officer. The Mukwonago Fire Department certified two child safety seat technicians this year as well. SafeKids of Southeast Wisconsin sponsored a child safety seat event at the Mukwonago Fire Department over the summer. Both the Fire Department technicians and Police Department technicians participated.

Approximately fifty-three percent (53 %) of the child safety seats inspected were not installed properly. The majority of the seat problems were again loose harnesses and seats. We noted and removed 5 expired seat and 1 seat was education only. Some other issues identified were improper belt routing, improper use of latch, improper seat position (angle), wrong facing seats for the child and defective safety belt in a motor vehicle. We were surprised at the 21 walk-ins (55 %) who arrived with uninstalled seats. They had just purchased a new child safety seat and came directly to the department for installation.

This agency attempts to serve, and at times schedule any fittings requested of us. This past year we experienced an increase in seat inspections with one less technician. In 2014, our goal is to train one more officer. The vast majority of the seat checks performed are still walk-ins to the department.

We received several financial donations of seats that we donated to economically challenged families. Some of the donations ranged from a few dollars to as much as \$20.00. We gave out approximately five (5) seats this year. We will not allow a child to leave in a seat that is not safe will continue to donate seats in hardship cases. Our biggest supporter of this program is the Mukwonago American Legion Post #375, who has graciously supported the purchase of seats and equipment. This allows us to have an adequate inventory of seats on hand in the event one is needed.

Once again, we served a wide geographic area. Thirty eight seats were checked in 2013. Locations of where people came from are as follows:

COMMUNITY	SEATS	COMMUNITY	SEATS
Village of Mukwonago	18	Waterford	1
Town of Mukwonago	7	North Prairie	1
East Troy	3	Dousman	1
Waukesha	3	Town of Vernon	1
Eagle	2	Franklin	1

Bike Patrol Program

The bicycle patrol program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

In 2013, Officer Kreiser utilized the bicycle patrol for the Memorial Day parade and the Father's Day parade, totaling 16.5 miles for the two parades. Officer Kreiser was also able to work three shifts focusing on extra patrols utilizing the bicycle. The bicycle patrol put on a total of 62.6 miles during these three (3) shifts. During these 7:00 PM to 3:00 AM shifts, there were fifteen (15) calls responded to, assisted with, or self initiated by the bike patrol. We also utilized the bike patrol for our National Night Out event in August

Neighborhood Watch Program

The Village of Mukwonago Neighborhood Watch Group meets approximately bi-monthly to discuss various criminal incidents occurring within different neighborhoods in the Village of Mukwonago. The Mukwonago Neighborhood Watch Group, specifically from Meadow Park Estates, has been a huge driver of the National Night Out event and the group has spent countless hours coordinating and assisting Mukwonago Police Department staff in conducting the event.

The partnership between the Police Department and Neighborhood Watch group is invaluable. The message is very simple that we want to convey - if you see something happening or out of the ordinary – call your Police Department!
